

The WESTERNERS Los Angeles Corral

Wednesday, January 11, 2023 Roundup

Almanson Court - 700 South Almanson Street, Alhambra, CA

Social Hour at 5 P.M., Dinner at 6 P.M.

Our Speaker: Ira Pemstein

His Subject: Ronald Reagan Presidential Archives

The December Westerners meeting will feature a presentation by Ira Pemstein, Supervisory Archivist at the Ronald Reagan Presidential Library. He has worked at the Reagan Library since 2004. Before joining the staff in the archives of the Reagan Library, he worked at the Richard Nixon Presidential Library. All of the Presidential Libraries are units of the National Archives and Records Administration, an agency of the executive branch of the United States Government.

Mr. Pemstein will talk about his transition from work in the field of information technology to furthering his education in the area of historical studies. After graduate school he landed a position at the Reagan Presidential Library. His presentation will focus on his work heading the archives staff responsible for preserving, reviewing and cataloging the materials in the Reagan collection. The Reagan Library contains over 65 million pages of documents that cover the presidency of Ronald Reagan, his 2 terms as Governor of California, his career in Hollywood and his post presidency. The archives staff also preserve and review over 2.5 million photographs, audiocassettes and film reels. He will also discuss how qualified researchers can access items in the collection.

This promises to be a very interesting topic for our January Roundup.
