At the museum there are several well-organized and interesting stations describing various aspects of aviation and flight in Los Angeles as well as the history of the airport, and available for questions will be some docents.

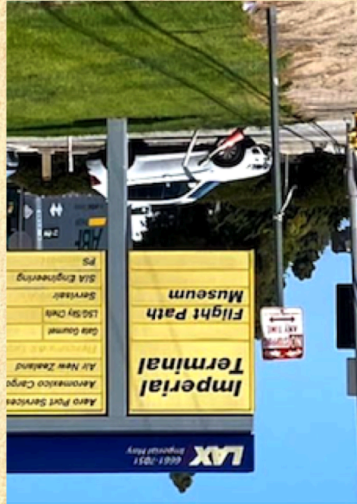

A fabulous meal at 6:30pm will be provided by **Entertaining Friends Catering** which was last year's favorite and well-received catering service with beverages, coffee, and of course, great wine is included and selected by our own wine steward Deputy Sheriff Joe.

A bargain priced book sale will be available, too. All purchases help pay for Corral's future events. And there will be great camaraderie, conversation, and fun for those who love history, aviation, good food and good friends.

**Questions? Contact Deputy Sheriff Joe Cavallo**
